Stockholm Intro Tour

by Foot and Public transport

During our 3 hour tour you will make acquaintance with Stockholm together with a real Stockholmer. The tour starts and ends in front of Stockholm Tourist Center and is carried out by tram, ferry-boat, elevator and by foot. You will not only have many of the main attractions pointed out to you but also an opportunity to get answers to you personal questions about Stockholm and Sweden. The tour that is carried out in small groups (max 10 pers) does also contribute to a better environment in the city and healthier lifestyle.
