# Stockholm Intro Tour

A walking tour with glimpses of  
past, present and future

During our 2 hour walking tour you will get an introduction to Stockholms historical sites, visions for the future and everyday life in Sweden today.

You will start where Stockholm once was founded, pass by the alleys of Old Town, visit Slussen where Stockholm of tomorrow is created and end with a coffee or a soft drink in a back yard of trendy Södermalm.

All guides are Stockholmers and Certified Stockholm Guides. You have the possibility to get answers to you personal questions about Stockholm and Sweden. The tour is carried out in small groups (max 10 pers).
